## Divemaster Dive Equipment Packages:

At Sairee Cottage Diving we allow our students free use of our dive equipment during your PADI Divemaster Internship course. Except for a Dive Knife and a SMB (which you can buy here, if needed). However it will always be more comfortable, convenient and look more professional if you have your own equipment; and if you want to work in the dive industry, staff have to have their own kit as a rule in nearly all dive companies.

We have created 2 fantastic, very reasonably priced, diving equipment packages to suit all budgets: The Silver Dive Equipment Package and the Gold Dive Equipment Package!

1. The Silver Equipment Package cost: 45785 THB

2. The Gold Equipment Package cost: 63567 THB

We also offer separate Scuba Pro Wetsuits and Suunto Dive Computers.

There is already a 15% Divemaster Discount on these equipment package prices and you can always change items here on arrival if you want.
